

Cuckolded by the Billionaire 3: The Billionaires Baby

Michael Marchant and his wife Bella have been increasingly sucked into the orbit of the rich and mysterious Stavros, the Greek Billionaire after a chance meeting in Vegas, where Stavros mistook Bella for a high-class call girl. Stung by Michaels earlier infidelity, Bella accepts the proposition of the mysterious Greek as a form of revenge against her husband. Soon they find themselves hosts on his private island in the Aegean. Surrounded by guards, anti-aircraft batteries, and former Russian Special Forces soldiers, Michael finds himself in over his head when he loses his job suddenly, and arrives on Stavros island to accept a lucrative and unexpected job offer. Michael soon finds out that Stavros business crosses back and forth over the line between legitimate, and downright illegal and immoral. Struggling between the desire to win his wife back from Stavros control, and not wanting to succumb to the mysterious billionaire, Michael gives in to Stavros in a last-ditch attempt to save his marriage. See what happens when the mysterious Stavros, the beautiful and desirable Bella, and the befuddled Michael all collide on a heavily armed island paradise in the Mediterranean. This is a three-part trilogy. The prequels, Cuckolded by the Billionaire: The Accidental Hooker and Cuckolded by the Billionaire 2: Taken to Paradise are now available on Amazon!
