

## Hold Close the Memory

Can two people stay loyal to each other against all odds? The night before thirty-two-year-old Kim Trent moves in with Keith Norman, her world turns upside down. After twelve difficult years raising her twin boys alone, Susans former husband Brian, the man the military had told her was dead, suddenly reappears, ready to resume their life together. Now, Keith and Brian are demanding that Kim make a choice, but she needs time, and time is running out...
