

## A Knight to Desire (Volume 4)

The artifacts were legendary the sword of Charlemagne and the Holy Grail. And now they were gone, stolen by those who hoped to use their mystical powers to destroy Scotland. Sensuous as sin and wild as the Highlands, Sir Simon Lockhart must reclaim the treasure while protecting his fellow Templars against a madman who wants to wipe out the order and guarding his heart against a red-haired beauty whose greatest wish is to run headlong into danger. Brianna St. Clair had trained nearly her whole life to be a knight and is haunted by premonitions of a terrible battle. Its these very visions that Simon hopes will lead them to the treasure and the traitor. But while Brianna can wield a sword as well as any man, she has no defense against the seductive pull of A Knight to Desire.
