

Bundle of Joy (COMPLETE BOX SET) (Taboo Fertile Pregnancy Erotica)

Get three breeding stories in one collection! **WARNING:** This 12,600+ word collection contains graphic language, and explicit descriptions of lusty women engaging in hot breeding sex, impregnation, lactation, spanking, anal sex and oral sex. In these three taboo scenarios we also have elderly fetish, priest fetish, and group sex for your enjoyment. Intended for MATURE AUDIENCES 18+ only! **Get Off My Lawn...** And **Get In My Bed** Candace has a problem. Men her own age just dont turn her on. The sexy 20-something old knows one man that gets her weak in the knees - her 80 year old neighbor. When she doesnt see Mr. Jenkins for a few days, Candace goes to his house to investigate, and gets a lot more than she expected - including a bun in the oven. **EXCERPT:** Girls these days, he said, shaking his head. All so nasty, ready to spread for anything. He took a step closer, until he was pressed against me, invading my personal space. Are you nasty, Candace? **Bred by the Priest** When pure Bridget lets her boyfriend go too far, she goes to church to confess. Little does she know that Father Collins has other ideas of how she can atone for her sins - with hot breeding sex! **EXCERPT:** What about protection? I stammered. I dont want to get pregnant. Father Collins gaze darkened, and another hard smack made me jump. A bit late to be worrying about that now, isnt it? Think of what everyone will see when you come into church with a swollen belly. Theyll all know what a sinner you are. **Bred in my Sleep** Rachel has always had problems sleeping and when the nights get hot, she gets much more than she bargained for. Her three sexy male roommates start visiting her at night for some unprotected fun. Little do they know, Rachel is a lot more awake than they thought and ready to take on all three of them at once! **EXCERPT:** The next morning I woke up feeling more refreshed than I had in

months. Wrapping a towel around myself, I crept into our communal bathroom. The evidence of what we had done covered me, and I almost didn't want to shower. I loved feeling well taken and used like this. Part of me wanted to put on a skirt and head to class, leaving the mess still on me, letting myself feel it with every step.
