

Calys Lion: (BBW Paranormal Shifter Erotic Romance) (Lions of the Serengeti Book 3)

A wounded lion is a dangerous beast... While hiding from vicious militants in a shack shes called home the past couple of weeks, Caly Anderson happens upon a wounded lion. Even though the ferocious beast scares the holy hell out of her, the nurse in her wins over, compelling Caly to help the big, suffering cat...just as soon as shes finished freaking the fuck out, that is. Her panic returns when she awakens to find her lion is now a hot hunk of man whos looking at her like shes a scrumptious dessert. Jax Rarh, lion shifter of the Serengeti pride, is hunting clues in Africa for an old friend gone missing. Injured and in hiding, he doesnt expect a beautiful, lush nurse to stumble into his hideout and save him. Her scent drives him crazy, and feasting his eyes on her curvaceous body makes him harder than ever. His every instinct screams at him to claim her as his mate, but Caly, recently divorced, is not only strong-minded, but she also has a fragile heart. Nevertheless, Jax is one determined big cat, and theres no way hes ever letting her go. She just doesnt know it yet.
