

# Coils, Folds, Twists, and Turns: Contemporary Techniques in Fiber

Learn to use traditional fabric techniques in modern ways. Fiber artists are experimenting with and combining techniques like never before, and this book gives detailed instructions on the rediscovered techniques of folding, shirring, gathering, bundling, quilling, and more. These techniques can be used to create rugs, wall hangings, clothing, bags, and even jewelry. The techniques are explained and illustrated, and patterns and instructions are given for 7 projects.
