

Lily in Chains (1Night Stand)

For Barry, the opportunity to help build the newest Las Vegas resort, the BDSM-focused Carnivore Club, offers the chance to put aside two years of longing for the sub who ran away. In the glittering city in the desert, he could make a new start and a new life. The gift of a 1Night Stand from his mysterious partner in the endeavor. Lily's fears drove her away from the man of her dreams. In fact, she ran all the way home to learn her mother had been diagnosed with cancer and needed her help. After two years of caring for her mother, they lost the fight and Lily was cast adrift to once again pick of the threads of her life.

Terrified she fled the instant things got too intense, Lily asks Madame Eve to help her set up a date with a Dom. If she can handle one night with a stranger, maybe she can return to Barry and beg him to take her back.
