

Scandalous Intentions (Ladies and Scoundrels)

When faced with losing his fathers support, notorious rake Lord Julian Luvington sets his sights on Lady Sarah. She is as respectable as they come, just what his father ordered. But the lady shall not be easily won. Lady Sarah Roseington is determined to marry for love or not at all, and she will do anything to obtain the freedom granted to men. A blackguard like Lord Luvington could destroy her hard-won reputation, but marriage to him also offers her the opportunities she cannot achieve on her own. Whats a lady to do? When Lord Luvington refuses to abandon his pursuit, Lady Sarah proposes an arrangement. Only the price may be more than either bargained for. Lady Sarah could lose more than her social standing and Julian could lose his heart.
