

Seduced by the Highlander

Lachlan MacDonald has conquered so many men on the battlefield and so many women in the bedroom that he is virtually undefeated. But one unlucky tryst with a seductive witch has cursed him forever. Now, any women he makes love to will be doomed for eternity. Lady Catherine is a beautiful lass of elite origin so she is told. Suffering from amnesia, she is desperate to find the truth about who she really is or, at the very least, meet someone who inspires an intense memory or emotion. When she first lays eyes on Lachlan MacDonald, Catherine has a sixth sense that he holds the key that will unlock her past and maybe even her heart. But how could she know that the passion she ignites in this lusty warrior's heart could consume and destroy them both? Julianne MacLean's *Seduced by the Highlander* is an engrossing, sizzling historical romance.
