

Taming The Lion: BBW Paranormal Lion Shifter Romance (Gray Bears Book 5)

Winston Knight is a lion shifter and the Sheriff of Shadow Point. He serves and protects the small town, and he has his life in order. A strong, sexy man in uniform has his share of female admirers but his lion has never wanted to claim a mate. But when a brave, beautiful woman careens into his life, Winston realizes that he has found his mate in this curvy, lion-hearted human. Kaylee Wright has just crashed out of another disastrous relationship. She is moving on, moving away, again. Driving headlong into danger to save a woman's life, Kaylee never imagined that the near-fatal crash would be the turning point in her life. For so long, Kaylee has been looking for love in all the wrong places. But here in this small town, Kaylee feels that she has finally come home. Happily-ever-after might just happen to her after all. She just has to stay and fight for it
