

## Dangerous Magic (Sisters of Magic Book 3)

With the darkness holding firmly onto his soul, Cade knows hes destined for Hell. Men like him dont perform the deeds he has, regardless if they came by order of the king, and not elude the darkness A loner, Cade takes what the land provides and vows to keep the two men he thought of as brothers alive from the great evil after them. He knows his time is short and the evil is looking for him, but there is just enough humanity left in him to aid his friends. When the flame-haired witch finds him, Cade is instantly spellbound by her beauty. He can either forget her or give in to the reckless, impossible love that could destroy her
