

The Blood Rose Box Set Books 1 & 2: Embrace the Dark and Embrace the Magic

From USA Today Bestselling author, Caris Roane, a special boxed set that takes you into the steamy paranormal romance world of the Blood Rose Series. EMBRACE THE DARK and EMBRACE THE MAGIC are the first two books in the series. Enter the world of blood-starved master vampires and the rare women who can satisfy their deepest needs. EMBRACE THE DARK, Book #1 How can he resist his blood rose Gerrod, master vampire of the Merhaine Realm, never thought to have his blood-needs satisfied by a mere human. But Abigail of Arizona is no ordinary woman. She stuns him with her telepathy as well as the richness of her blood. However, her human DNA makes her an unacceptable mate. Yet how can Gerrod turn her away when she alone has satisfied his blood-starvation for the first time in a hundred-and-fifty-years? Will she fall to temptation and give herself to a vampire? When the dreaded enemy of all realm-folk, the Invictus, attacks at a fae wedding, Abigail's simple human life gets turned upside down. She doesn't know if she has the courage to pursue a path that means giving herself body and soul to a master vampire. Will she return to her normal existence in Flagstaff, Arizona? Or will she embrace the dark? EMBRACE THE MAGIC, Book #2 He desperately needs his blood rose Ethan, master vampire of the Bergisson Realm, never thought to find his blood rose, the one woman who could ease the blood-starvation he's endured for decades. But Samantha carries a surprising level of power as her newly discovered fae heritage emerges and she connects with his personal realm frequency, a vibration that ignites his passion. His commitment to ruling Bergisson, however, has priority, even over his driving need to be with Samantha. As desire rises, and Ethan finds himself drawn into the web of his driving, relentless need for her, will he be able to embrace his blood rose or will his guilt

over past events prevent him from living life to the fullest? How can she give up the life she planned? Samantha can't believe she's a blood rose, a woman who can meet the needs of a starved master vampire. Her plans never included the world of the Nine Realms in which master vampires rule millions of realm-folk, but learning that she's half-fae has changed everything. As Ethan's blood-needs become a life-or-death struggle, and cast her into a war against the dreaded Invictus, how can she choose to embrace her new fae powers and change her life so completely? Will she take on the role forever as Ethan's blood rose? Or will her desire to follow her life's ambitions force her to choose against love, passion, and unbelievable fae power?
