Darknest Fantasy Erotica presents a collection from seven erotic authors sure to push you to the limits of your psyche. In the darkest corners of your fantasies, these stories lurk. Waiting to tease and please, these shorts are darkly erotic, and will make you lust for orcs, shifters, demons and more! Hunted by the Beast by Cerys du Lys: When the beast-cursed man of legends comes for her, desiring her as his mate, can Danya tame his savage ways and show him love, or will she unwittingly become some plaything for a monster, existing solely for his pleasure? Too Perfect by J.M. Keep: In the future, women are a commodity to be traded and programmed for a single purpose. Andrea has been scientifically modified to be the perfect woman, but when shes gifted to a young man by his father, he recognizes her: His unrequited crush. A Heaven of Hell by A. Vivian Vane: Can a holy angel of Heaven tempt one of Lucifers fallen back to righteousness? Even if it were possible, hot and heavy pegging probably wouldnt be the way to go about it...but that wont stop one angelic beauty from trying in this sinful short! A Different Prince Charming by Maria N. Lang: A collision between a victorious elven general and a human princess whose father has just lost a battle and with it, her innocence. The Master by Kaye Skellington: When one visits the Orc Generals court, all eyes are on the delicate elven face of his wife. They search her expression keenly, but do they know her? Does anyone? The Dressmakers Doll by Leona D. Reish: Fresh out of college, the opportunity to work under the reclusive bachelor mysterious and renowned tailor Julian Landon in his secluded villa felt like a fairy tale for young Amy. As the days pass, Amy is reminded that those fairy tales were once much darker things, as circumstance see her fall helplessly into a world of darker passion and submission to the man training her in far more powerful

and sensual ways than she could have ever imagined. The Backwater Look by P.B. Tae: Its 1925 and Charles and Rebecca are midway through their honeymoon tour of New England. Unfortunately for the two newlyweds, they didnt count on the local residents and their dark, twisted secrets. Not to mention the things that lurk in the night and skulk out of the ocean depths to visit the world above. Charles and Rebecca are certainly due to discover exactly what the backwater look really is. \*\*These stories are dark erotica and contain sexual content, explicit language and are meant for adults.
