

A Boy for the Tentacle Monster

It was Ians eighteenth birthday, and all that he wanted was to go with his father to the castle town of Gabbs. Unfortunately, the annual sacrifice to the jinn, a hideous tentacle monster, would be taking place that night, postponing their quest to seek council with the king. Forced to stay in an inn until the ritual was over, Ian left his father to go exploring the city. Little did he know that the jinn would be much more interested in him than the sacrifices it had been presented with. Content Warning: For adults only!
