

Dead in Her Tracks (Rogue Winter Novella)

On Christmas morning, Solitude, Oregon, unwraps murder. This wasn't how Police Chief Zane Duncan expected to spend his first Christmas with fellow officer and girlfriend Stevie Taylor. But when a local motel calls in the discovery of a dead body, the couple's holiday takes a grim turn. This is the second murder in Solitude within the week, despite the fact that their primary suspect is already in custody. Together, Zane and Stevie must face a disturbing truth: their small town may be harboring two killers. As their investigation digs deep into the backgrounds of newcomers and longtime residents alike, Zane and Stevie also struggle to adjust to life under the same roof. Even if the stress of homicides and cohabitation don't bring an end to the couple, the murderer lying in wait just might.
