

## Deadly Vacation (Hardy Brothers Security Book 10)

Hardy Brothers Security is growing and they're taking on a new case in New Orleans. Because his wife, Mandy, has always wanted to visit the city, James arranges to take her along for the ride. Grady and Finn won't be without Sophie and Emma either, and the whole vacation becomes a family affair. While the men are working during the day, the women are playing and having fun. Unfortunately for everyone, someone thinks Emma has managed to get her hands on something important. The problem is, no one knows what it is. Between the three young guys who are following them around, and the other odd occurrences plaguing the Hardys, things are spiraling out of control. Before everything is said and done, Jake and Ally are drawn into the mix and one of the women is kidnapped and held for a mighty ransom. Can the Hardys solve another crime and keep their family whole? Note: This is the tenth book in the Hardy Brothers Security romantic suspense series.
