

## Deception: A Death Dealers MC Novella

The President & First Lady of the Death Dealers MC are back! Gage and Raven have a near perfect life. The only thing missing is the baby Gage desperately wants. Then, a secret comes to light that turns their world upside down, and starts a chain of events that could destroy them. After all they've been through, do they have any fight left in them? 18+ for explicit language, sexual situations, and violence. Best enjoyed if you've already read books 1-3 (Forbidden, Tempted, & Claimed).
