Shane and Bayley discover that the naughty little room up in the tower had been extensively used by a past owner for intense sexual pleasure, and the energy left in it is considerable enough that whoever enters it will be filled with such sexual cravings they will not be able to control themselves. Bayley thinks of the idea to use the exotic magic of the room by letting troubled couples rent it for a reasonable sum for the upkeep of the mansion. But in a short time, they realize that their earnings is not enough to get the mansion and the business going, especially when they filter their customers to couples who need help, even if they cannot pay that much. They have to solve it soon because not only will they lose the lovely mansion they have both learned to care about, the stressful maintenance of their controversial business is putting a dent into their own relationship. They are quickly losing time. They need to think of a way fast. And then, like the mansion and its naughty little tower room, help comes in a way they did not expect.... She looked at Shane, thinking that she really did love him and want to be with him, but feeling tired and worn out at the same time. When he came to her and began kissing her neck, the rooms energy flooded through her, and she melted a little under his touch.They stripped each other slowly, peeling away layers and layering kisses over the newly exposed skin. Standing in the center of the room, lips locked together, their hands ran over each others bodies, pausing to squeeze a bum or caress the swell of a breast. Bayleys hand slid up his thigh, her fingers trailing over his balls before gripping his shaft.
