

The Work of a Master Goldsmith: A Unique Collection

Beautifully illustrated throughout, this distinctive collection will give an insight into the work of a 20th century master goldsmith. Each photograph is of a unique piece, showing that the skills of a traditionally trained goldsmith can still create gold and silver pieces that can rival that of the past revered Russian master goldsmiths. This book will be of interest to anyone who can appreciate and is interested in the skills of a master goldsmith, and one who takes pleasure in including flora and fauna, made from precious metals, into many of his designs and finished pieces.
