

Cry Me a River: Storm Lake West (Destiny Paramortals (Cozy Paranormal) Book 2)

Welcome to the world of the Destiny Paramortals, the continuing story of Jack and Tempe, Montana and Conor, and other quirky citizens, as new Paramortals are born and stuff happens. Come! Enter Middle Earth! You wont want to leave.

Hes looking for normal, but has he found Mayberry or Middle Earth? The Paramortals have a saying, One meets his destiny on the road he takes to avoid it. Our new sheriff stated it thusly: Paramortal, my as\$! Isnt it just like a man to exit a relationship when he finds out a woman has a few little secrets? The last time Id seen my almost boyfriend, Jack Lang, a series of shocks had sent us both reeling, and he got his first glimpse of my Paramortal talents - a few measly bolts of lightning aimed at hisin his general direction. The scant information wed given him was like a snow crystal on the slopes of the Alps, or like a raindrop in a vast ocean of extra-normal details. I tend to think in weather terms since Im a Tempestaerie, though Ive denied my heritage for nineteen yearsever since my father died, my mother withdrew, and I was left to raise my brother, River, a Djnni like our father. Sheriff Lang is finally on board with our search for my missing brother but time is running out. In the course of the investigation weve gone from attraction to suspicion, support to friendship, romance to oh-my-god-get-away-from-me revulsion. Jacks an ex-Navy pilot. He says he wants to know everything. My ex-lover and guardian, Dylan McGuinness, says after we answer Jacks questions, hell either join us, or grab his daughter and take the first jet out of Middle Earth. He may help me save my brother and discover the whereabouts of my parents, but I doubt hell still want to take me to the Mardi Gras ball, once he knows everything. Theres a lot of everything Readers of Molly Harper, Katie MacAlister, and Darynda Jones will
