Twenty-nine-year-old Stevie Sinclair has just lost everything: her boyfriend, her apartment, even her ugly bird named Free. (Yeah, she knows it's a stupid name, so don't start.) But most importantly, Stevie lost herself. As she shuffles through her days in worn-out Hello Kitty PJs--eating ice cream, sipping wine, and contemplating her next move--a magazine article catches her attention. Blaring black letters read: How to Get Your Sexy Back in Six Easy Steps. Stevie studies the article in the trashy magazine like the good student she is and immediately knows what she has to do. With the magazine article in hand, and a bottle of red in her bag, Stevie embarks on a journey to reclaim her life and win back her ex. Until she meets Gabe Shannon. Gorgeous, single, and on a quest of his own, Gabe introduces Stevie to a lifestyle that is sure to help get her sexy back and then some. If she doesn't chicken out ...
