Every sexy college girl in this bundle is in for the biggest surprise of her life when the people shes closest to show her what they really want from her--her tight, innocent body, stretched out and filled all the way up! For example: Theres a girl who broke into a house, only to be arrested by the boy she grew up with and the man of the house. But they dont want to send her to jail. They have a different kind of penance in mind. Another story features a college girl whos very jealous of the sexy new man in her life and in her house. But when he cant stop obsessing over her tight, sexy body, she decides to let him take her hard and give her everything hes got. One college girl goes out to play a fun, wholesome game of soccer with the three guys she grew up with but theyre interrupted in some naughty, sweaty fun by the man of the house who isnt happy to see her full to bursting--because he has a big surprise he wants to give her, too.
