

Tidying Up: Exclusive French Art of Tidying up with Life Changing Organizing and Decluttering Techniques for a Simpler, Healthier and Happier Life. BONUS Interior Design Ideas!

Tidying Up Exclusive French Art of Tidying up with Life Changing Organizing and Decluttering Techniques for a Simpler, Healthier and Happier Life. BONUS Interior Design Ideas! This book, The French Art of Tidying up is what you need to learn the principles of home keeping and interior designs that will suit all categories of people. It will provide the reader with great practical ideas that they can apply in their lives to improve their organization. The book is meant to provide the reader with tips and guidelines on how they can be able to reduce the clutter in their lives and get to be more organized for simpler healthier living conditions. It will provide the reader with tips on how they can keep the kitchen, the bedroom, living room and other parts of the house tidy to facilitate productivity and enhance their social lives. It will enlighten the user on the benefits they derive from being tidy while at the same time letting them in on how they can move into organized living and maintain the same. Further than that, it will guide the readers on how they can attain maximum use of the space they have by providing them ideas on how they can be able to improve storage and organization or fridges, shelves, cabinets, closets and walls. Finally, complement the process of tidying up and organization by providing high quality low cost interior design ideas that people can employ to make their homes more attractive. The topics to be covered in this book are: - Why you should tidy up - Decluttering your environment - Tidying up the Kitchen - Organizing the Living room, Bedroom and closets - Organizing the garage - Dos and Haves that help keep the rooms tidy - 10 Interior design ideas and tips
