

## Doggy Duo: A Puppy Play 2 Pack

Get two books of the hottest puppy play erotica for the price of one! Here you'll find two stories of young adult girls that like to be treated like dogs, pleasing their masters in any dirty and erotica way that they're ordered. After all, these new puppies have been trained to obey. So come on in and bring the peanut butter, it's going to be a messy ride. Inside, you'll find these two stories: *Muzzling My New Pup* Jonathan's wife Beth had always wanted a puppy but she didn't want one like everyone else had, she wanted something different. Jonathan finally decides to surprise her one day by bringing home a new bitch, straight from the kennel. Beth is surprised, alright, especially since the puppy turns out to be a muzzled young woman. She quickly accepts the idea and they happily welcome the new puppy into their home, and between their legs. *Walking My Dog* Aubrey is a dog trainer with a new favorite puppy, little Lilly Bell. Lilly Bell is no ordinary dog, although Aubrey treats her like one. It's everyone else that sees her as different. For instance, whenever she takes her for a walk to the park, she has to dress her in clothes or people will stare and complain, which seems unfair since every other dog is as bare as they day they were born. But sometimes there is an opportunity to strip off those silly clothes and let her roam free again. After all, there are certain tricks that Aubrey has taught her that can only be done without clothes...
