

Blind Trust

Blind trust All of her life, Mia Monroe has been treated like a raw egg. People automatically want to help her and guide her because shes blind. She goes to a BDSM agency and explains what she is looking for. The owner of the agency promises that they will look for a match for her, but he feels a need to help the beautiful mysterious woman. He doesnt want anyone to hurt her. Cole Pride goes to the agency, hoping to find a match for himself. When he sees a beautiful woman leaving, he asks about her, wanting her to be his match. The owner is leery to match them because it would be a relationship based on sight and that feels wrong. However, when he can find no other match for Mia, he agrees to let them spend a weekend together. Will Mia learn how to trust a man she cant see? One who inflicts pain and treats her exactly like he would anyone else? Or will she run back to the safely padded world where everyone waits on her hand and foot to make sure nothing bad can happen to her? Blind Trust is an erotic romance novella that contains spankings, sexual scenes, elements of BDSM, and more. If such material offends you, please dont buy this book.
