

Dormitory Slut Part 3

Lester Logan is having a great time as the dormitory slut and, one day, things got even better. Martin Briggs, a handsome, athletic young black man is in need of sexual relief, and thinks he knows where to find it. Hes 100% right, and has his cock sucked until it is fully erect and ready for action., After that, he fucks his Less ass until either man has one his best climaxes ever. This is the third and shortest (approximately 2,900 words) of the Dormitory Slut series of short stories. Like the others, it describes gay sex between two young men, with this one also being interracial. The description of that sexual activity is quite detailed, and the language used is graphic and explicit, so this story and the others in the series are for adults only.
