

Monsters Made Me Gay: Chimera Group Encounter

After making the move to a new city, Bobby and Alex's marriage is on the rocks, but not for the reason you'd think. In addition to all of the relocation stress, Bobby is grappling with his hidden fetish of being taken by a gang of horny, gay monsters. After admitting his dark secret to Alex, things get awkward fast for Bobby. But it's not long before Alex is turning the tables and making use of his new job as a genetic engineer to make his husband's devious fantasy into reality. Soon enough, Bobby finds himself face to face with a lab full of horny chimeras that are specifically designed to get him off! This is a 4,800+ word hardcore gay gangbang story featuring anal, double anal, rough sex, bukkake, and gay chimeras.
