

Acrobat 8 Professional: Basic, Ace Edition + Certblaster, Instructors Edition (ILT)

In this ILT Series course, rated 4.9/5.0 in overall quality by ProCert Labs, students will learn how to use Acrobat 8 Professional to create, modify, and review PDF documents. They'll learn how to create PDF documents from within Acrobat as well as other programs, create headers, footers, bookmarks, and links, ensure that PDF documents are accessible, apply password security, digitally sign, validate and encrypt PDF files, initiate a review, and create a comment summary file. Features integrated mapping of Adobe Certified Expert exam objectives. Comes with CertBlaster exam prep software (download).
