

Birthday Spanking: (A Short Story)

Its Emilys birthday. She waits at home for her husband Richard to come home after work. Unfortunately, Richard forgot all about her birthday. He stops off at a bar and has a drink with his friends before he goes home. Emily confronts him, wanting to make him feel guilty. Richard has an idea. He knows that his wife secretly likes to read spanking novels, so he makes a call inviting his friends to join in and help him give her a birthday spanking. Emily is shocked when she hears the idea. She is also curious. Knowing that her husband has his heart in the right place, she reluctantly agrees to the birthday spanking. Will she regret it, or has a new tradition started?
