

Employees Guide to Discrimination and Termination (A Real Life Legal Guide)

Non-discrimination laws aim to create equal treatment for all workers in the United States, regardless of heritage, age, gender, disability and other differences. When these rights are violated, workers can take legal action against their employers. While not all types of unequal treatment are illegal, and not all employers are subject to these laws, most are. Written by a practicing employment attorney with many years of experience, this book provides an insiders take on these employment law matters. If you're not sure whether that unpleasant activity you're experiencing at work is illegal, and what you can do about it, read this book! If you're concerned about being fired and worry about back wages, references and your eligibility for COBRA, this easy to understand book covers that too. Title VII of the Civil Rights Act of 1964, the Age Discrimination in Employment Act (ADEA) and the Americans with Disabilities Act (ADA) are three federal laws that are in place to protect you. Increasingly, state and local laws expand on the reach of federal anti-discrimination laws in protecting workers. We cover that all here. And make it easy to understand. Real Life Legal wants you to be prepared. Joanne Dekker is an attorney whose specialties include employment law, government contract and general business litigation and animal rights. She is licensed to practice law in Maryland, Virginia and the District of Columbia.
