

Good Earth Home & Garden Book

People want their homes to be beautiful, natural, and safe for work and play. The Good Earth Home & Garden Book is a one-stop resource, loaded with ideas and solutions to create and maintain beautiful and environmentally friendly living spaces. This book is chock-full of helpful hints for remedying common household problems and eliminating pests - naturally! Readers will find more than 50 formulas and tips for making life easier without harsh chemicals or mysterious additives. Products for everyday use such as window cleaner, furniture polish, natural pesticides, and flea repellants are included in this beautifully illustrated guide. Kellar also includes some significant, up-to-the-minute energy-saving tips for the home, garden, and automobile.
