

Dr. Dix and the Dream Machine: An erotic tale of mind control

Amanda is struggling with painful headaches, and goes to Dr. Dix to discover the cause. The friendly doctor immediately knows that the problem is Amandas libido - she has locked away all her desires, and refuses to touch a man. She wont even touch herself! To help to unleash all of the pent up energy that is driving her crazy, Dr. Dix gives Amanda The Dream Machine. Amanda is to wear it that night, and the machine will show her the fantasies she has locked away from herself. Will the machine help her headaches? Will Amanda leave her maiden life behind and experience true pleasure for the first time? Read to find out! ----- For mature audiences. All themes and characters are 21+
