

Dragonfly In Amber (Outlander, Book 2)

NOW THE STARZ ORIGINAL SERIES OUTLANDER BONUS: This edition contains an excerpt from Diana Gabaldon's *Voyager*. With her now-classic novel *Outlander*, Diana Gabaldon introduced two unforgettable characters, Claire Randall and Jamie Fraser, delighting readers with a story of adventure and love that spanned two centuries. Now Gabaldon returns to that extraordinary time and place in this vivid, powerful follow-up to *Outlander*.

DRAGONFLY IN AMBER For twenty years, Claire Randall has kept her secrets. But now she is returning with her grown daughter to the mysteries of Scotland's mist-shrouded Highlands. Here Claire plans to reveal a truth as shocking as the events that gave it birth: the secret of an ancient circle of standing stones, the secret of a love that transcends centuries, and the truth of a man named Jamie Fraser, a Highland warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Claire's spellbinding journey continues through the intrigue-ridden French court and the menace of Jacobite plots, to the Highlands of Scotland, through war and death in a desperate fight to save both the child and the man she loves. Praise for *Dragonfly in Amber* Diana Gabaldon is a born storyteller... . The pages practically turn themselves. *The Arizona Republic* A triumph! A powerful tale layered in history and myth. I loved every page. *Nora Roberts* Compulsively readable. *Publishers Weekly*
