

Wake to Darkness (A Brown and De Luca novel, Book 3)

Rachel de Lucas uncanny sense of perception is the key to her success as a self-help celebrity. Even before she regained her sight, she had a gift for seeing peoples most carefully hidden secrets. But the secret she shares with Detective Mason Brown is one she has promised to keep. As for Mason, he sees Rachel more clearly than shed like to admit. After a single night of adrenaline-fueled passion, they have agreed to keep their distance until a string of murders brings them together again. Mason thinks that he can protect everyone he loves, including Rachel, by taking them to a winter hideaway, but danger follows them up the mountain. As guests disappear from the snowbound resort, the race to find the murderer intensifies. Rachel knows shes a target. Will acknowledging her feelings for Mason destroy her or save them both and stop a killer?
