

50 Shades of Dicmatized: Diaries of a Sex Therapist (Sex Therapy 101)

Dr. Lenese Stringfield has been the best sex therapist in Atlanta for the last three years. She uses unorthodox ways to serve up her clients and send them home feeling loved...literally. She will take you on a journey of her sexcapades with her clients and educate you at the same time. She will show you the meaning of being Dicmatized and focus on the different types of men that women encounter on a daily basis. She will teach you techniques that you may want to use at home to better your own sex life. Just be careful because once you let this sexy doctor into your head and bed, you may not ever want her to leave.
