

Counter To My Intelligence (The Heroes of The Dixie Warden MC) (Volume 7)

Sometimes the heart wants what it cant have. Thats the motto Silas Mackenzie, the president of The Dixie Wardens MC, has lived by since he was a young man. Now hes well on the way to middle age, has three grown children, and hes lusting after a woman he should definitely stay away from. Especially one that his ex-girlfriend had given birth to, and happened to be only twenty seven years old. Sawyer isnt a young girl at heart, though. Shes seen the inside of a jail cell for eight long years, and every one of them she spent paying for a crime she didnt commit. Silas Mackenzie knows as soon as he sees her that the girl has sacrificed enough. And maybejust maybe so has Silas. Its time for Silas Mackenzie to get what he deserves, and put a little bit of happy back into Sawyers world, one rough, bearded kiss at a time.
