

Brianna (Daughters of Destiny Book 3)

Love, lies, and an ancient Egyptian curse Brianna Grey holds the key to mankind's destruction. Brianna spent most of her life dying until one man's kiss resurrected her desire to live. However, before she can get on with life, she must return an ancient artifact to Egypt before someone willing to commit murder gets it away from her. For aspiring US Treasury Agent Duncan Stuart, love means death. He works alone, lives alone and plans to die alone until he meets Brianna again. Under the harsh Egyptian sun, he will break all his rules to save her. But will that be enough, given the secret Brianna knows that could get them both killed?
