

Need Me

Hot Merchandise Nika has trained her body into a deadly weapon--the better to take what she wants from any world, especially the well-protected planet Belton. But the moment she sees Lt. Brendon Marshall, her weapon is turned against her. A man like him could incinerate a womans priorities with one look. And since hes guarding the very object of her desire, it could be so simple to use him and never look back. As long as she can ignore a more intense pleasure than shes ever known--and a wilder need than shes ever imagined. . . .Praise for Take Me Take Me will leave you breathless. --Jaid Black Tense, edgy, highly erotic. . . . --Kate Pearce Sizzling and emotional. . . . Couldnt put it down! --Susan Lyons This is a scorcher. --Bonnie Edwards Shelli Stevens is an author youd best keep your eye on!--Lauren Dane, national bestselling author of Laid Bare Warning! This Is A Really Hot Book (Sexually Explicit)
