

El beso del Highlander (Spanish Edition)

Encantado por un poderoso hechizo, Drustan MacKeltar durmio durante casi cinco siglos oculto en las profundidades de una cueva, hasta que una atractiva salvadora lo despertó. La joven bienhechora, que vestía y hablaba como ninguna, venía de un lejano futuro en que las Highlands -las Tierras Altas escocesas- se habían convertido en un montón de ruinas. Para salvar a su gente de ese terrible destino, Drustan regresó a su propia época -el siglo XVI- con la ayuda de Gwen Cassidy, esa joven del siglo XXI que había viajado a Escocia para animar su aburrida existencia. Entre los dos nació una pasión más fuerte que el tiempo. / A laird trapped between centuries Enchanted by a powerful spell, Highland laird Drustan MacKeltar slumbered for nearly five centuries hidden deep in a cave, until an unlikely savior awakened him. The enticing lass who dressed and spoke like no woman he'd ever known was from his distant future, where crumbled ruins were all that remained of his vanished world. Drustan knew he had to return to his own century if he was to save his people from a terrible fate. And he needed the bewitching woman by his side.... A woman changed forever in his arms Gwen Cassidy had come to Scotland to shake up her humdrum life and, just maybe, meet a man. How could she have known that a tumble down a Highland ravine would send her plunging into an underground cavern - to land atop the most devastatingly seductive man she'd ever seen? Or that once he'd kissed her, he wouldn't let her go?
