

Elas Performance: A Romantic Wife-Watching Novel

Peter's sweet-faced and fiery wife is headed back to school for a degree in violin performance. Unexpectedly, Peter finds himself becoming very paranoid about who Ela is spending so much time with, and what she is doing at school so very late. It isn't as if he doesn't have his reasons for suspicion. There's the way his own relationship with Ela started, and their own past experiment with an open relationship before they were married. A few other strange things to fuel his jealous fantasies...

And when he discovers someone from Ela's past has resurfaced, he'll take a chance and confront his own desires and obsessions...but will he get what he really wants?
