

Elder Law Client Strategies in Florida: Leading Lawyers on Understanding Medicaid Laws, Estate Planning, and Long-Term Care (Inside the Minds)

Elder Law Client Strategies in Florida provides an authoritative, insiders perspective on legal aspects of protecting the physical and financial welfare of senior citizens in the state of Florida. Featuring partners from some of the states leading law firms, this book guides the reader through crucial topics, such as complying with Medicaid asset regulations, navigating guardianship concerns for infirm clients, and developing estate planning strategies. From establishing a system of long-term care in a nursing home or private residence to working with federal and state agencies to obtain benefits or investigate abuse, these experienced lawyers present best practices for assisting elderly clients with legal issues. Additionally, these experts discuss the growth in the elderly population and the likely future trends in elder care. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these top attorneys provide key insights on this important area of law. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. Robin M.
