

## Ellas First Exam: A Taboo New Adult Medical Exam Story (Ellas Exams Second Edition Book 1)

Meet Ella! By Amazon Best Selling Erotica Author Caelia Portier! There's a first time for everything! Ella has just turned eighteen, and her darling mother has finally convinced her to schedule her first gynecologist appointment. Join Ella on her journey as she navigates the world of sexual exploration for the first time... Ellas First Exam is not for the weak of heart, and for mature adults 18+ only. This work of fiction is the product of the authors wild and fun imagination. Any similarities to real life characters, places, and events are completely unintended and purely coincidental. Please further note that all characters depicted are of legal adult age. It contains descriptions of sex acts, including medical play, light medical BDSM, and a not-so-private examination that just might be the start of one - or two? - very hot relationships! If you are offended by the nature of such stories, please do not purchase this book. Otherwise, enjoy!
