

Course ILT: E-Mail Etiquette

This ILT Series course teaches students how to use e-mail effectively. Students will learn how to write effective messages and e-policies, use e-mail accessories and passwords, and prevent your password from being stolen. Course activities also cover using the subject line, considering your recipient, managing e-mail volume, following netiquette guidelines, attaching files, preparing for recipient reactions, and using emoticons effectively. Students also learn about the differences between writing online and traditional paper-based writing, achieving e-mail message objectives, using correct punctuation, constructing effective sentences and paragraphs, editing your e-mail messages, and using active voice in writing. The manual is designed for quick scanning in the classroom and filled with interactive exercises that help ensure student success.
