

Emerging Issues in Tribal-State Relations, 2012 ed.: Leading Lawyers on Analyzing the Economic, Cultural, and Political Trends Affecting Tribal-State Interactions (Inside the Minds)

Emerging Issues in Tribal-State Relations provides an authoritative, insiders perspective on the relationships between tribal and non-tribal communities. Featuring partners from some of the nations leading law firms, this book guides the reader through proven best practices for attorneys who represent Native American groups, and the organizations, government agencies, and private entities that come into contact with these tribes. From the down economy and changing gaming rights to the tribal sovereignty debate and conflicting environmental policies, these top lawyers analyze the current issues that Indian Country is facing, and discuss how tribal leaders and counsel are meeting these challenges. Additionally, these leaders reflect on the continuing impact of policies such as the Tribal Law and Order Act and the Indian Child Welfare Act on today's tribal populations and negotiations. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to success within this complex field. Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include: 1. W. Gregory Guedel, Chair, Native American Legal Services, Foster Pepper PLLC - Challenges and Opportunities in Tribal Economic Development 2. Quanah M.
