

## Taken By Passion (Secrets #3 BDSM)

Four friends. Four secrets. One dare. After her sisters sexuality ripped their family apart when they were teens, Diana Traynor has kept a tight rein on her own desires so tight that her fiance left her for being a cold fish in bed. Since the vanilla life didn't work and her friend Alicia dares her to find some freaky sex, Diana accepts the invitation of a married couple. Her repressed needs find life in their bondage and domination games. When her new friends bring in their old playmate Daniel for a weekend foursome, Diana can accept the fact that she's even less conventional than her sister. But can she accept that she's developing feelings for Daniel that go beyond those between a dominant and a submissive? \*\*\*Warning! This story is meant for readers 18 years of age and over. It contains scenes of bondage, domination, use of toys, and pretty much any combination of sex act between two men and two women a reader could want. Novella, approximately 41,000 words or 137 printed pages
