

Taking the Taboo Cougar (Erotica)

Marion is a 40-year old who lives with a tall, muscular, handsome, and dominant man - of course, Marion would never think of what hes like as a lover...until he starts walking around half-naked. Now she cant think of Tom without thinking of sex, she cant think of sex without thinking of Tom...and pretty sure, thats all shes thinking about! EXPLICIT: This naughty story includes rough play, some BDSM elements, and an alpha male being taught about sex by the woman whos taken care of him all his life, while they fuck in every position imaginable!
