

Friends Experience: Learning the Sublime Essence of Trust and Submission (Experiences Book 6)

Beyond 50 Shades Way Beyond! FRIENDS EXPERIENCE is an intimate exploration of kinks and fetishes by an unlikely couple, with thoughtful and philosophical discussion by the characters, and graphic descriptions of their erotic adventures. Kelly and Sam continue to expand their sexual horizons by including Kelly's open-minded friends in their fetish play. As Kelly learns more about her past and sets her sights on the future, Sam grows in his acceptance of gay and bisexual relationships. After Kelly and her friends give Sam a memorable birthday party, Sam designs a submission challenge for them. The friends bring their own spirit and enthusiasm to the session, surprising Sam and Kelly with their openness. The event becomes a competition, as Kelly's friends cope with more and more outrageous experiences. The group learns that each of Kelly's friends has her limits. The Experiences series is an epic love story of erotic relationships and sexual desires. Written in a literary realism style, the series introduces Sam in the prequel, and the blossoming of his intimate relationship with Kelly as the series progresses. Fantasies and real-world adventures coalesce to mold a unique bond between unlikely lovers. Where needs are mutually satisfied in an open, creative and trusting environment. Where physical and mental boundaries are pushed. Where the concepts of love and sex are never confused, but sometimes confusing. Where openness is required and intimacy is expected. And where fair-is-fair, regarding the punishment of transgressions. Contemporary erotic romance: Suitable for mature readers, aged 18+ years. Experiences: Book 6 is 120,000 words, 15 chapters, 405 print pages. Acclaim from reviewers: Another stand-out hit! A unique experience as a reader. Excellent can't miss book!
