

# WordPress Mastery: Exactly How To Become A WordPress Expert & Create Profitable

#1 Amazon Best Seller: The Complete Guide To Becoming A WordPress Master & Making Amazing Blogs & Websites In Minutes! If you're not using WordPress for your website or blog you are missing out on so much, it is as simple as that. There is a reason that 1 in 5 sites on the internet today are powered by WordPress - from small business and Fortune 500 companies to non-profits and government agencies. Almost anywhere you look on the web you can find a WordPress website or blog. The combination of a beautifully user friendly design and a customizable and scalable platform, WordPress has quickly established itself as the Go-To system for site developers and designers across the internet. Catering to those with little to know programming experience while inviting others with HTML, CSS & PHP skills to generate unique designs, WordPress is perfect for everyone, regardless of your level of design and programming experience. WordPress touts an intelligent design that is intuitive in look and feel that allows users to create new content in minutes from the out-of-the-box program. The truth is that the possibilities of website and blog design are essentially limitless with WordPress. In order to take full advantage of the program, however, you must become an expert with all of the system functionality. Creating a site is simple. Creating a site that keeps your visitors and brings them back again and again is a different story. In this book I will teach you EVERYTHING you need to know to go from a WordPress zero to a WordPress Hero. No matter what level of experience you have with WordPress, site design, programming or even the internet, you'll be able to create an amazing, professional site to display all of your content in minutes. I'll show you how to effectively manage your site's content in an efficient and effective manner. You'll learn why deploying the right Themes and

Plugins is so crucial to your conversion rate and the ultimate success of your site. With more people accessing sites through their phones more than ever, you'll learn what mobile access means to your page and how to design content that will automatically format for mobile viewing. Here Is A Preview Of What You'll Learn...How To Manage The Back End of WordPress To Ensure Easy Content Creation & Editing Which Themes Make The Most Sense For Your Site or Blog & How To Deploy Them With Your Content How Plugins and Themes Affect Your Sites Front End & What It Means In Terms of Traffic & Conversions How To Create Sites That Are Compatible With Desktops, Tablets & Mobile Devices WordPress Tips & Tricks For Higher Traffic & More Conversions The Top Mistakes to AVOID That Those New To WordPress Make Much, much more! Our Personal Guarantee We are so confident that methods outlined in this book will help you create amazing sites through WordPress that we are willing to let you try the methods risk-free! If you are not fully satisfied with your results, simply let us know and we will provide a 100% full refund. That's right, a 100% Money-Back Guarantee!
