

## Fabulous Costume Jewelry: History of Fantasy and Fashion in Jewels

This gorgeous book is a delight for all who are interested in fine craftsmanship, beautiful jewelry, and the role of fashion in an ever-changing world. Costume jewelry is an intimate reflection of its age. Shaped by the attitudes and fashion of the women who wear it, this jewelry reveals their temperaments, their fantasies, and the spirit of their times. This lushly illustrated book is a comprehensive retrospective of commercial costume jewelry, from 18th century Georgian, Neo Classic, and Romantic pieces to 20th century Edwardian, Art Deco, Cocktail, and modern Glam Rock jewelry. It discusses in great depth the roots of jewelry movements, the cultural trends that influenced jewelry designers-industrialism, wartime, the growth of Hollywood, technological breakthroughs, and the womens movement-and the effects jewelry had on womens fashions.
