

Fairy Tale Lust: Erotic Fantasies for Women

Something Wicked and Wanton This Way Comes! Award-winning novelist and erotica writer Kristina Wright goes over the river and through the woods to find the sexiest fairy tales ever written. Playfully seductive, supernaturally sensual, and darkly erotic, Fairy Tale Lust showcases clever twists to classic tales and introduces new stories inspired by the ever-popular genre. Here, a walk in the forest is likely to lead to an erotic encounter with a mysterious stranger or the silver light of a full moon might illuminate an orgy of sensual delights..
